

# OXY POWER PLUS

## GO - 140

### EPA/DFE Certified All-Purpose Oxygenated Cleaner

**OXY POWER PLUS** is a unique blend of surfactants and Alkaline builders combined with Hydrogen Peroxide. What makes this product special is that we have been able to stabilize the formula at a higher pH of 8.5 which makes this product a superior cleaner to other peroxide based cleaners on the market. OXY POWER PLUS meets the EPA DFE Standard for environmentally preferred chemistry.

- **Degreaser** : Cuts grease with a slightly higher than neutral pH. Great for removing food grease
- **Deodorizer** : Oxidizes sources of odor. Penetrating action delivers deep hydrogen peroxide cleaning power.
- **Residue-free** : Unique peroxide formulation leaves surfaces virtually residue-free, reducing the chance of resoiling.
- **Streak-free** : Glass, mirrors and glossy surfaces. Surfaces are streak-free, even when left wet

**ONE PRODUCT DOES THE JOB OF MANY:** OXY POWER PLUS All-Purpose Cleaner is a unique product that will effectively clean any water safe surface such as windows, mirrors, counters, marble, urinals, whiteboards, floors, walls, restrooms, kitchens, tile and grout, and more. OXY POWER PLUS can handle over 95% of your cleaning needs!

**BUBBLING PEROXIDE CLEAN WITH EFFERVESCENCE:** Hydrogen peroxide is a powerful oxidizer that reacts with organic soils to form effervescent bubbles, which actually lift dirt away from the surface. Since these bubbles aid in physically removing dirt from a surface, they eliminate the need for hard scrubbing.

**USE ON ALL TYPES OF SURFACES** : Bathrooms, Floors, Fixtures, Glass, Mirrors, Stainless Steel, Garbage Dumpsters, Urinals, Tile/Grout, Painted and Unpainted Surfaces

Item # 1340

**Available in:**

4/1 Gallon

5 Gallon Pails

55 Gallon Drums

### DIRECTIONS

**Glass Cleaner:** Dilute at 1:128 (1 oz.) for everyday glass and mirror cleaning. Spray surface and wipe with a lint free cloth.

**Light Duty Cleaning:** Dilute at 1:64 (2 oz. /gal.) for everyday light duty cleaning. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

**Medium Duty Cleaning:** Dilute at 1:32 (4 oz. /gal.) of water. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

**Heavy Duty Cleaning:** Dilute at 1:10 (12 oz. /gal.) of water. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

**Floor Cleaning Using Mop and Bucket:** For daily mopping, dilute 1:128 (1 oz. /gal.). Fill bucket. Mop with OXY POWER PLUS All-Purpose Cleaner. Pick up soil and excess cleaner with clean mop. Rinse mops frequently and change solution as needed.
